

## VICTOR PROCEDURES

1. make sure shed is open and tractor and cart is out. If not call county cell 938-0623.
2. place 2 rakes at each field.
3. place field drag on cart and park cart between LL and Pony field.(drag located in county shed)
4. the other field drag should be out on one of the fields. Use that drag with tractor on colt field.
5. station the cart between pony field and mustang field. When games on fields are done, only have to drive tractor to the field to be dragged.
6. visiting team will line field. Home team rake field.
7. when the last games on each field are being played, put all equipment back. Call county cell and let them know they can put tractor away and lock shed. Put the drags that were in the shed back. Only one drag should be out. That's the countys field drag. No need rake field last games. County will do.
